

A PRIVATE/PUBLIC PARTNERSHIP TO ACHIEVE:

- **Compliance with and Respect for Court Orders and the Law.** Provide courts with additional tools to enforce court orders.
- **Enhanced Customer Service.** Provide citizens with easily accessible and additional information on what is expected for compliance, and the sanctions for failure to take the appropriate action.
- **Increased Revenues.** Local and state revenues will be increased through improving collection of fines and penalties associated with citation processing.
- **Consistency and Uniformity in Case Processing.** Make justice more equitable by more consistent enforcement of court orders statewide.
- **Efficiencies.** Outsourcing select parts of the collections process will reduce routine, nonjudicial functions, allowing court staff to focus their time on customer service and case processing.
